Re: John Nunez v. Manhattan Parking et al
Request for Extension
Civ. Action #: 07-CV-4629

Dear Judge Koeltl:

The purpose of this communication is to request an extension of the briefing deadlines as to Defendant's July 27, 2007 motion in the above-referenced case. At the July 30, 2007 conference Your Honor invited the parties to write the Court if an extension was needed. No prior extensions have been sought or granted.

In communications with defense counsel Davida Scher, she has indicated to me that Defendants need two weeks to serve their reply and would like to serve that reply by October 2, 2007. I forwarded a stipulation to defense counsel today but I need to write the Court at this time and prior to hearing back from defense counsel as today would be the last day to file an opposition under the local rules. One of the main reasons for the extension request is the fact that I am waiting for Defendants to produce Plaintiff's time sheets and pay records as per the July 30, 2007 discussions with the Court, so I can use these records in preparing opposition papers. I therefore respectfully request that the Court endorse this letter request for Plaintiff to serve his opposition papers on or before September 17, 2007 and for Defendants to serve their reply papers on or before October 2, 2007.

I thank the Court in advance for its time and consideration

APPLICATION GRANTED.
SO ORDERED.
